I. The Spiritual Realm

*The infinite store of possibility
that is the source of all that is.*

Spiritus latin

**‘That which gives
life or vitality
to a system.’**

2. The Genius Realm

The access code that opens the portal between
SPIRIT & EGO.

The tutelary god or
attendant spirit allotted to
every person at his
birth to reside over his
destiny

*Short Oxford English Dictionary on
Historical Principles, Vol 1, 1975
(Principal definition)*

3. The EGO Realm

Who we are and what we do.

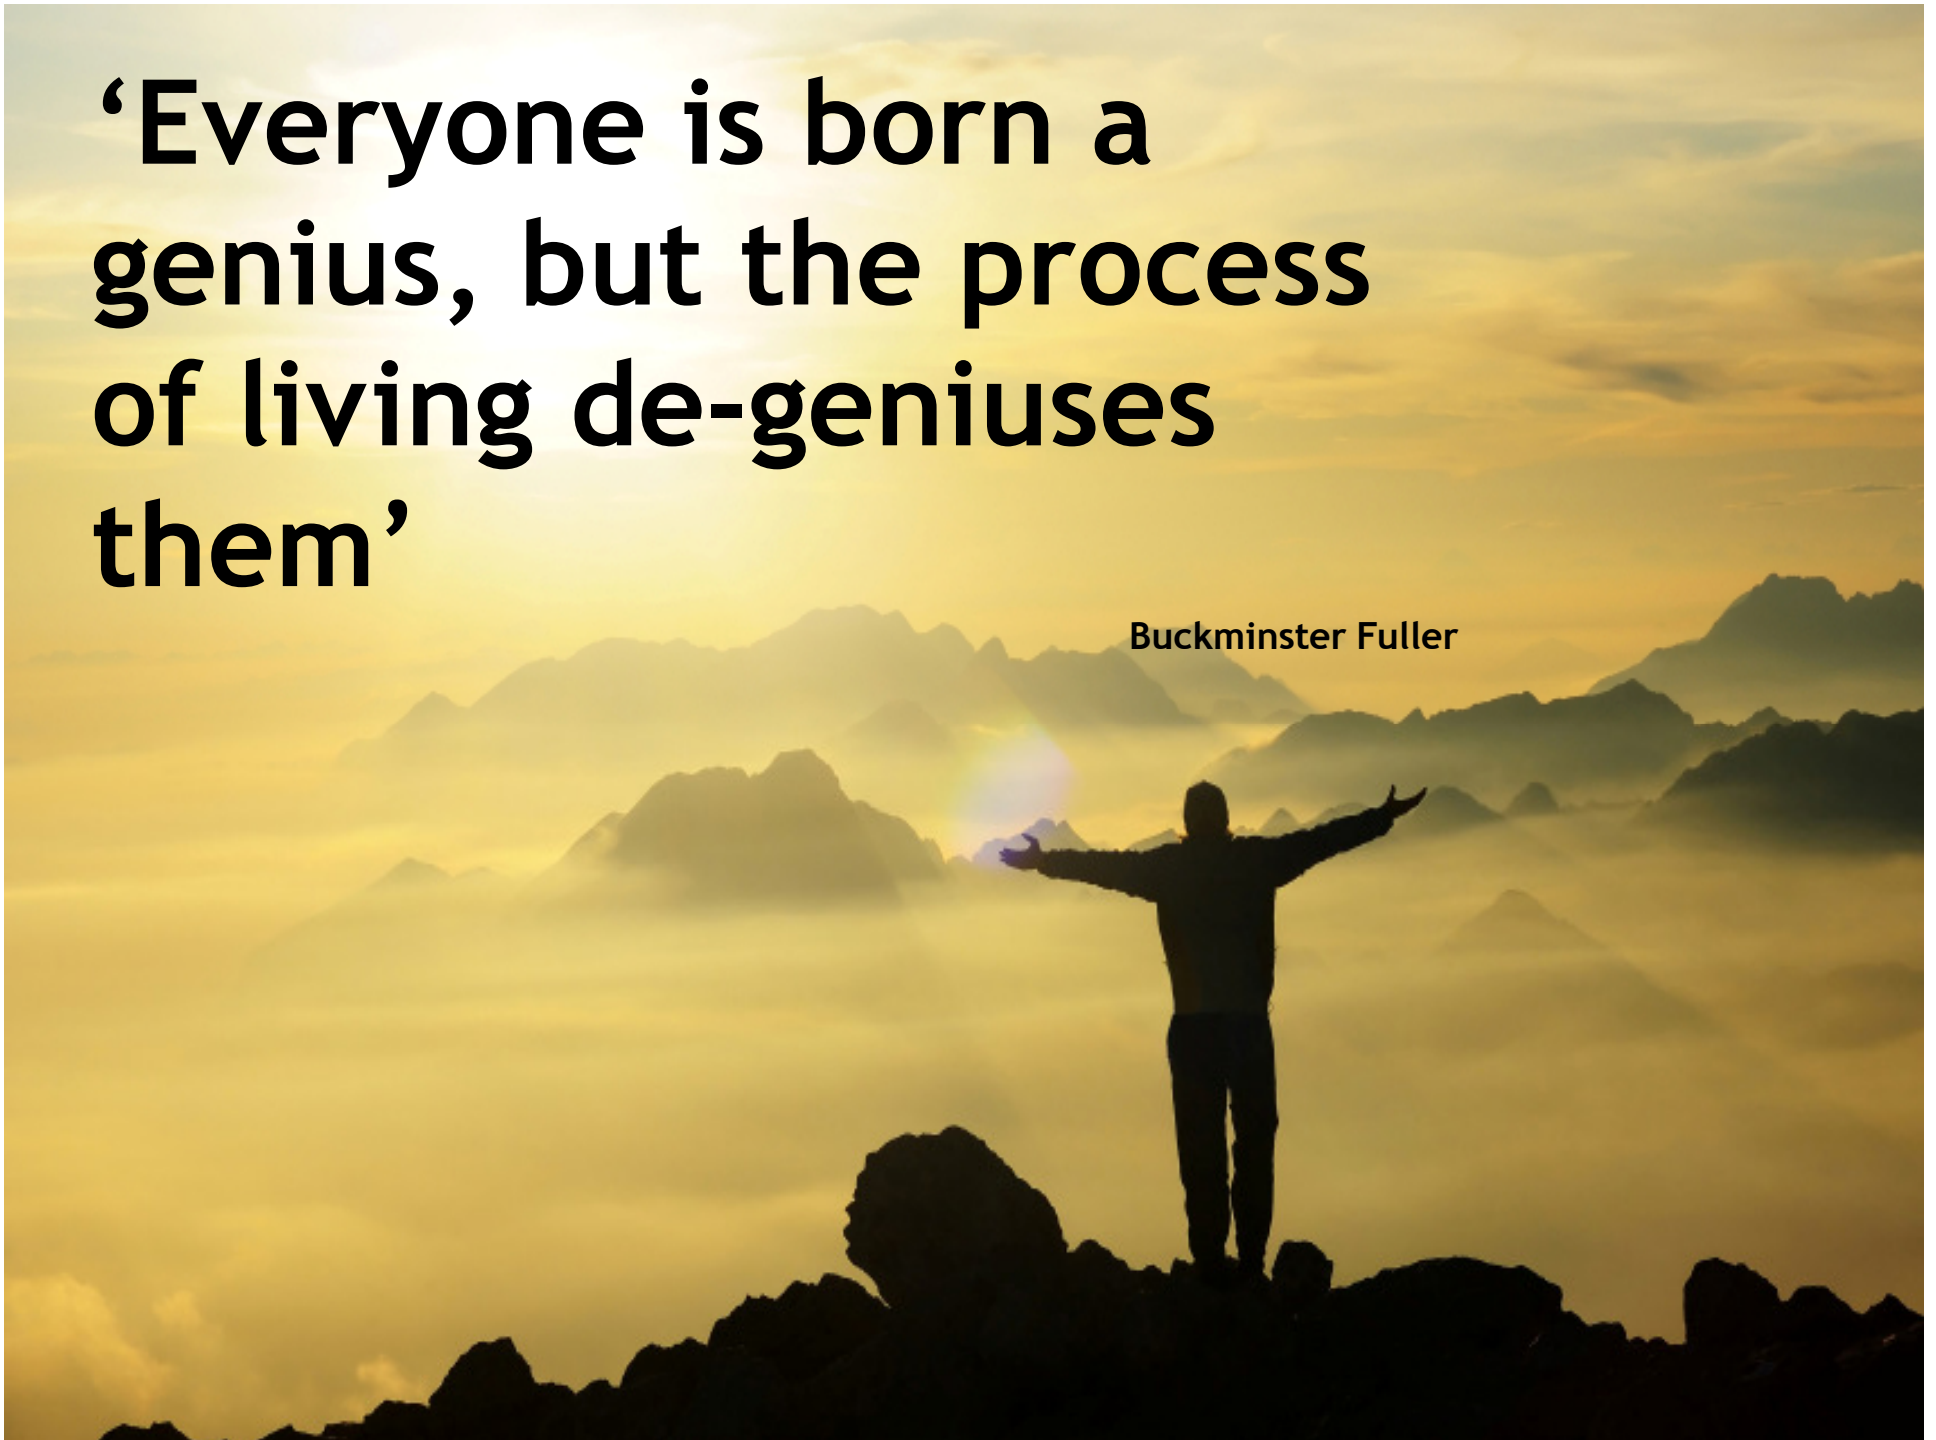

The self...that is
conscious [and] *most*
immediately controls
thought and
behaviour.

The Free Dictionary by Farlex

**‘Everyone is born a
genius, but the process
of living de-geniuses
them’**

Buckminster Fuller

4. The Material Realm

The true success we achieve through living aligned with our Born Genius.

Success:

**The accomplishment
of an aim [goal]
or purpose.**

Oxford Dictionary

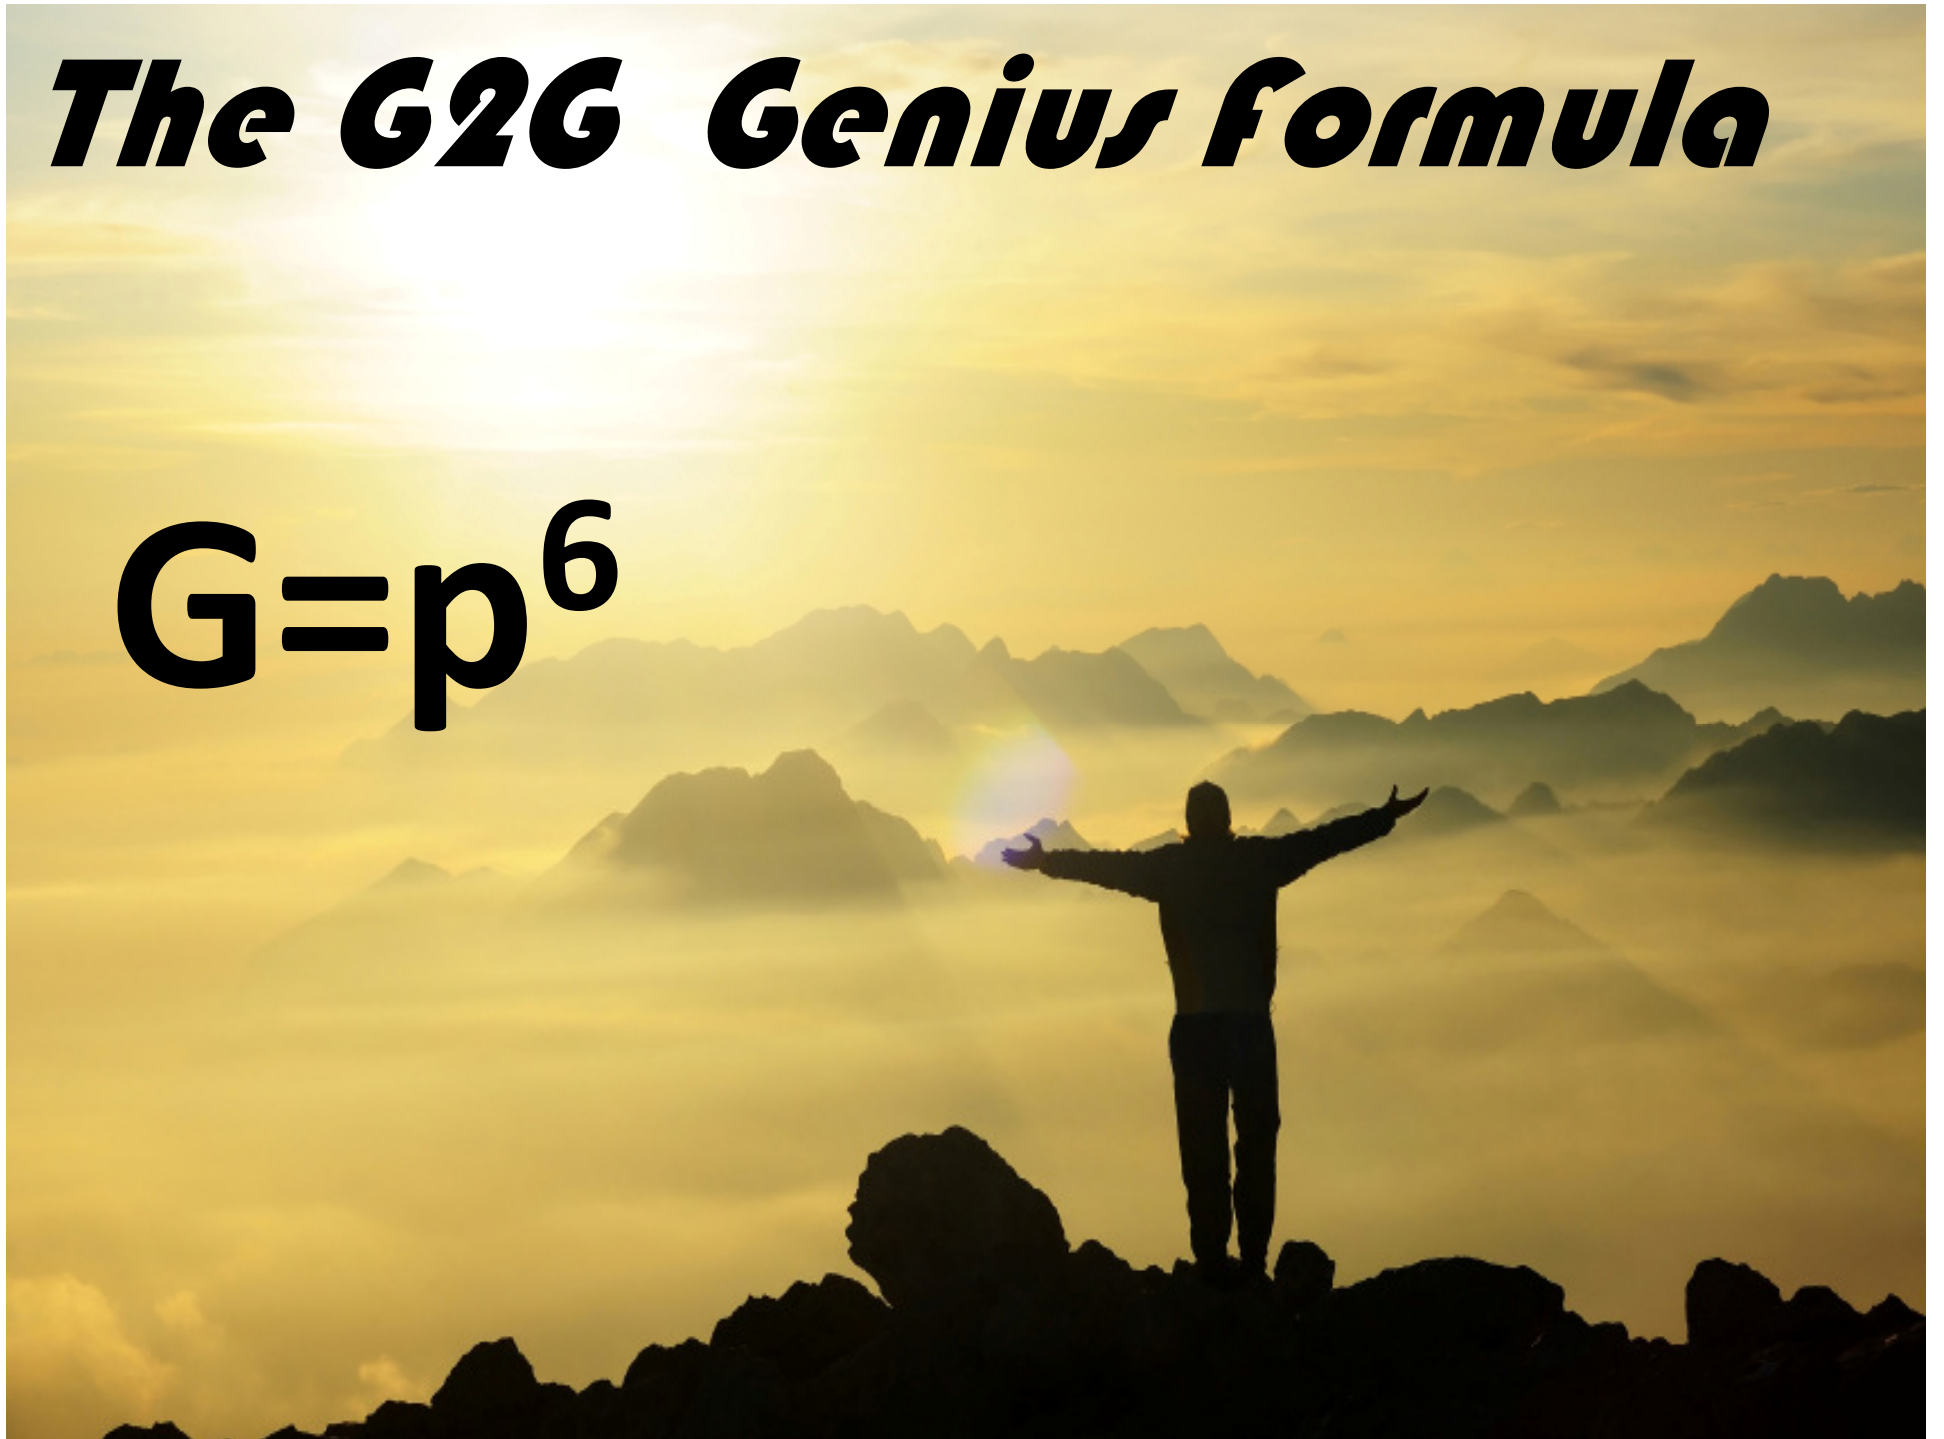

The G2G Core Concept

*Whenever you align your **genius** consciously and consistently you open **the portal** that gives you access to the infinite realm of human consciousness, universal intelligence, **Spirit or God**, thus opening the possibility of achieving **true success** in your life.*
